

# Foster Homes Needed

Crossroads Shih Tzu Rescue [CSTR] is looking for foster parents who are caring, conscientious volunteers willing to provide safe, loving homes and care for homeless and abandoned Shih Tzu, Shih Tzu mixes and other small breed dogs until permanent “forever” homes can be found.

All foster dogs are evaluated by members of CSTR, and every attempt is made to match a foster dog to a foster family's abilities. An experienced foster parent in your area will be assigned to you as your mentor. This person will be your contact for any information, questions or problems. All vet bills are covered by CSTR, and food and other supplies can be provided, if needed, as well..

Fostering is the life's blood of our organization. Without foster homes, these dogs in shelters, abandoned, and those whose family situation is such that the dog needs immediate care, would have no chance.

Ready to become a volunteer?

Complete a volunteer application on our website <http://crossroadsrescue.org/>
